Hi Everyone,

What a busy week. We are putting out this “special edition” newsletter to capture the fun and excitement of last Thursday and Friday - Sports day and visiting the Endeavour.

Sports Day at Karcultaby

What a great day we had last Thursday at the inaugural Karcultaby - Miltaburra sports day. The program was great and everything ran very smoothly. Thankyou to Karcultaby for hosting the day, and thanks to their parents and friends for making the lunches. Thankyou also to all of our families and community members for making the trip to support the students, and for helping out on the day. I’d like to thank all the staff of both schools for their hard work and in particular Simon Petty and Natasha Gill.

Finally, thankyou to our fantastic students, who displayed great sportsmanship, commitment and persistence on the day. Well done to everyone who participated in an event and to those who won ribbons. We will have a chance to see it all again this Friday at interschool sports day. Records and photos - Page 3.

Endeavour excursion

A great day Thursday was backed up by another big trip on Friday when we went to visit the Endeavour in Port Lincoln. The visit was fascinating and the opportunity to see and touch parts of the history curriculum in this way is worth so much for our students’ understanding. Thankyou to all the teachers and support staff who came alone to help and particularly to Kerri Kelsh for organising the day.
