From the Principal …

Hi Everyone,

It’s hard to believe it is week 5 already. Half way through term 2! It has been a busy term, and will continue to be busy. Students and teachers are working hard, and I hope that wherever possible you are able to come in to the school and have a look at the great learning the students are doing. I hope everyone has had a successful seeding period, and that we now get lots of rain over the next few weeks. I’m looking forward to seeing all the paddocks start to turn lush and green.

Far West Partnership Review

This week, all Principals and Pre-school Directors from the far West Partnership will be involved in the annual Partnership Review to be held in Ceduna. The Partnership Review is an intensive process where our progress as a collective group of schools and pre-schools is compared against last year’s Performance Review outcomes and new outcomes are set for the remainder of this year and into 2017. The new outcomes will influence and guide our work as a Partnership as we strive to improve learner outcomes for all students in the Far West.

Australian Curriculum Review

DECD would like to hear from parents and carers about the Australian Curriculum - see details on page 3 if you wish to contribute to the survey.

Bus Rules and uniform policy

Bus rules and uniform policy are re-printed in this newsletter. Please re-read them as a reminder. Please contact the school if you have any questions.

TEACHING AND LEARNING

English books will be sent home this week. Please take the opportunity to talk through with your child/ren what they have been learning, then sign and return the books. If you have any questions, please feel free to contact your child’s teacher.

We had another successful visit with our Mathematician in residence, Kathy Palmer in week 3. She modelled lessons in all classes, and all teachers were able to be released to observe this work. Kathy will be back in week 8.

Australian Curriculum Review

DECD would like to hear from parents and carers about the Australian Curriculum so that a submission can be made to the national process of curriculum monitoring. Feedback from parents and carers will be used along with feedback from leaders, teachers and students when the DECD submission is written.

The Australian Curriculum is the curriculum used by Reception to Year 10 teachers to plan what the students will learn. Your opinions will be a valuable contribution to DECD’s feedback to the national monitoring process.

You can provide your feedback in two ways:

- there’s a short online survey https://www.surveymonkey.com/r/DECDFeedback_Parents
- You can also contact Margaret Lynch Project Officer: Strategic Policy and Liaison margaret.lynch@sa.gov.au.

MILTABURRA AREA SCHOOL AND PRESCHOOL
UNIFORM POLICY

At Miltaburra we take great pride in the appearance and care that we extend to our total School Environment on behalf of the broader school community. A significant part of the pride we have for our school is the commitment that we all have to the regular wearing of our school uniform by students. The school staff, Governing Council and Parents and Friends, on behalf of the broader school community, has agreed upon the current colours and clothing styles as being the most appropriate for our school and it is expected that all students and families will comply with these. The Primary and Secondary Coordinators have been tasked with the responsibility to ensure that all students wear the appropriate clothing.

Of significance is the requirement that large and obvious brand names are not to be visible on apparel. Spare uniforms at school will be made available to those students who choose to be continually out of uniform and they will be requested to wear them.
